How do I sign up and login?

Last updated: February 2020

You can sign up by creating a new Duolingo account using your email address or by using your existing Google or Facebook account.

On Web:

To create a new account, click on the green "Get Started" button on www.duolingo.com and follow the instructions to create your Duolingo profile and start learning.
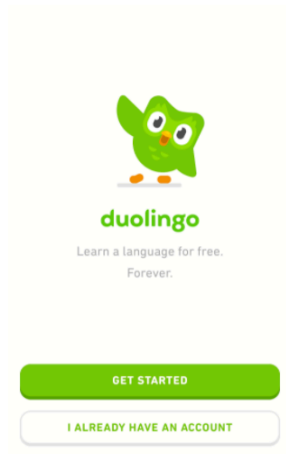

If you already have a Duolingo account, you can click the "I Already Have an Account" button on www.duolingo.com to enter your email/username and password. In case you don't remember your password, simply click on "Forgot password" and provide your email address.

Learn a language for free. Forever.
